Limit decorations to no more than two items per gravesite.

Placement of items is at your own risk. The District is not responsible for lost, stolen, damaged, discarded or disturbed items. Decorating District trees or other property and erecting fences around gravesites is not permitted. Do not line gravesites with stones or landscaping mulch of any kind as this can be dangerous to people and damaging to markers when mowing occurs. No glass items are allowed. No candles or open flames are allowed. To prevent mosquito breeding, replace water in vases at least weekly. "Do Not Remove Flowers" signs may be requested at the cemetery office if it is near the anniversary of a date of birth or date of death.
