The procedures performed and associated findings are as follows:

We also compared the population and inflation options included in the aforementioned worksheets to those that were selected by a recorded vote of the District's Board of Trustees.

Finding: No exceptions were found as a result of this procedure.

2. We added last year's limit to the annual adjustment amount and compared the resulting amount to the 2022-23 Appropriations Limit.

Finding: No exceptions were found as a result of this procedure.

3. We compared the current year information to the worksheets described in No. 1 above and to information provided by the California State Department of Finance.

Finding: No exceptions were found as a result of this procedure.

4. We agreed the prior year Appropriations Limit to the prior year Appropriations Limit adopted by the District's Board of Trustees.
