Date: February 4, 2025
To: Board of Trustees
From: Tim Deutsch, General Manager
Subject: Strategic Plan 2024 Update Report

On occasion, we will be presenting an update on the Strategic Plan action items which will have a narrative summary along with the attached action plan spreadsheet so that you can see the activities as they are happening. As you will see, if there is a one-time completion date, like the City Council approval of the project, we will note that date. If there is an action item that will take time to complete (like most), I will place a start date and then an end date so that we can see the length of time that it took to complete. In the comments section, I will have information regarding each of the steps that were taken to complete the task and who participated in the completion of the task.
